MEETINGS & INCENTIVES

DISTINGUISHED EVENTS

Only 45 minutes north of Dubai, Anantara Mina Al Arab offers a refreshingly unique setting for corporate or celebratory gatherings. Modern waterfront meeting spaces are complemented by verdant gardens and golden beachfront. Our service is unrivalled, with dedicated planners to bring your event to life, whether a corporate retreat, destination wedding, or even a simple celebration with family.

MEETINGS

There are three meeting rooms at the resort. The Aleka and Dana rooms, which can be combined, enjoy a stunning setting surrounded by water with floor-to-ceiling glass.

The Azure boardroom, meanwhile, is spacious and light, with equally mesmerising views, as well as elegant contemporary decor with a hint of Arabesque.

Each room is equipped with the latest in technology, including LED signage, an 85” touchscreen with video conferencing, built-in speakers and a wireless microphone, and a team of technicians on standby to support.

Coffee breaks may be enjoyed in the dedicated pre-function area, or out on the breezy terrace overlooking the mangroves. Throughout the resort, as well as beyond - at sea, in the desert or the mountains - there are endless opportunities for team building and rewarding activities.
